To the General Council

Your Committee on Finance beg leave to report that the Treasurer report has been carefully examined and is acceptable to your Committee except in two instances. 1st The Treasurer made a mistake against himself in addition of $1224.20, for which he is entitled to a credit 2nd The amount received from the Collectors at Stringtown $918.00. has yet to be investigated, though in justice to the Treasurer Your Committee desire to state that no blame therefor seems to be attachable to him. Your Committee therefore recommend the adoption of the following resolution:

A Resolution to hold the Treasurer's report over for final acceptance till the next session of Council.

Be it resolved by the General Council of the Choctaw Nation assembled, that on account of crookedness in the reports of the Collectors at Stringtown

The Treasurer's report is so far as the amount of $918.00 reported as received from the Collectors of Stoughtown is concerned should lie over for final action thereon by the next session of the General Council.
