Dear Friend & Brother:

In compliance with the Masonic request, I am passing to you as one of nine friends and brothers, the following prayer:

"Oh, Lord, I implore Thee to bless all mankind. Bring us to dwell with Thee."

It was said by all Masons in ancient times that all who wrote this prayer would be free from calamity, and all who did not pass it would be in danger of misfortune.

It is to be passed the world over at this time. Copy it and send it to nine of your friends, and on the 10th day you will find some great joy.

DO NOT BREAK THE CHAIN.

Fraternally yours,

H J Wooton
