ave noticed not only this new group, but there's been other groups efore these. So you people, I think, also have tried to do your best o show them the hospitality that you could. So I think all in all, verybody got along fairly well, and I know some of these students came rom along ways off, and before, so Dr. Bittle, we be thinking about you nd also your family, I don't know if your family is going with you?

r. Bittle: Yeah, they are.

hey are? So you tell them we'll be thinking of all of you all and maybe n our prayers your safe return back to Oklahoma.

M.C.--It's kind of a pleasure to us to get together here tonight. To ive you a little what we can to entertain your students. But Indian ives are like we've having some of the finest Indians in our community o understand their ways and modern way. So Dr. wherever you may be we lways think of you here, as part of our family including your family e want to think that way. And so somewhy if you have a little time ust write us a little card and we'd like to know just how your making ut. Thanks again.

r. Bittle: Thanks you all.

.C.--I'd like to address this to the members as you know, the week is ull of invitations and we like to take them one at a time. You know, e've been invited to Colorado again. It's not very far off, right around out next month, not quite a month. Anyway, we'd like to get together ay once a week to raise additional funds to put with what they are gonna ive us. I understood they gonna send us a contract and also expense oney. Some of you members are familar with our rules and regulations oing down there. They are not strict. But we'd like the members to
