These are the questions I wish you to answer about the fight in which you saved Hairy Hand.

1. You say the Indians sent some scouts forward to lead the soldiers away from the fort. What were the names of these scouts? To what tribes did they belong?

2. You say the Indians followed these scouts down and found some soldiers in a tent. You say the Indians killed two soldiers there. What were the names of the Indians who went with you to this tent? What tribe did they belong to?
