Mrs. Guy Cutlip,
Wewoka, Oklahoma.

Dear Mrs. Cutlip:

The Oklahoma Historical Society is endeavoring to build up the collection of material on the Five Civilized Tribes in the Indian Archives. Knowing that Judge Cutlip was interested in Seminole history, I am writing to ask your assistance in our quest. It is surprising what a dearth of material there is here in the Historical Society with reference to the Seminoles. We are specially anxious to secure original copies or an early published volume of Seminole laws. We would appreciate it if we might learn from you where these could be obtained. Mrs. Jessie R. Moore, a member of the Historical Society's Board of Directors, was talking with me the other day about gathering more Seminole documents and said that she was sure that you would help us in any way possible.

The Historical Society Library has a number of special collections, listed by the donor's name, consisting of original documents, photographs, and books, each collection being in the nature of a memorial and a part of the permanent records of the State. I mention this thinking that sometime you might wish to establish a collection of historical material here with the Society in Judge Cutlip's name.

I hope that we may hear from you at your earliest convenience, telling us where we might locate the Seminole laws.

When you are in Oklahoma City at any time, it would be a pleasure to have a visit from you here in the Historical Society Building.

Sincerely yours,

Muriel H. Wright
