Income is going down, it worries me, you know, because I'm getting old and furthermore I know I won't be here too long anyhow and I'm glad to make this report and this history that we're trying to get up or whatever you call it. Well, it will be here for years and years. It may not do anybody any good, but they can at least know what's taking place. These childrens they grow up, they wonder how they--

RELIGIOUS PHILOSOPHY AND FAITH IN GOD

What's back of it. Well, that's what I know now and I hope and pray--I pray all the time that my people keep well, be able to take care of themselves and childrens grow up and be on this earth long time, like I have. I been here quite a while and I got childrens coming up just like the rest of 'em. I hope they can take care of themselves and have childrens and childrens. I'm great-grandpa now and I'm very thankful that God has been so good to me. Never had--I've shed tears through my life, lost my wife, lost my brother, father and mother and childrens, should be living now, but they're going ahead of me. All those things I had to go through and don't know why it had to be that way, but I suppose I'm not the only one that had that experience. I imagine there's lot of other people shed tears just like I did. So, I'm praying and hoping that the younger generation, regardless of who they are or what they are I hope they can be on this earth long time and raise their childrens and grandchildrens and so on, they get old. The old people say God fixed everything good that we can go and live to be an old man and old lady, but getting there is another thing. You may get there, it's
