95c

A large, light-gray inverted triangle is centered on the page. A thin black line passes through the top vertex of the triangle, with three circles attached to it. Each circle is shaded with horizontal lines, representing celestial bodies. At the bottom vertex of the triangle, a larger circle is attached, also shaded with horizontal lines, representing Earth. The text "GRAVITY" and "GEORGE GAMOW" is centered within the triangle.

# GRAVITY

GEORGE GAMOW
