

LECTURES AND LABORATORY EXERCISES  
ON  
**STRAIN GAGE  
TECHNIQUES**

Presented at the

DEPARTMENT OF ENGINEERING  
UNIVERSITY OF CALIFORNIA  
AT LOS ANGELES

August 22 - September 2, 1960

by

**WILLIAM M. MURRAY, Sc.D.**  
Professor of Mechanical Engineering  
Massachusetts Institute of Technology  
Cambridge, Massachusetts

and

**PETER K. STEIN, S.M., P.E.**  
Associate Professor of Engineering, Arizona State University  
and  
Editor of Strain Gage Readings  
Stein Engineering Services, Inc.  
Phoenix, Arizona

\* \* \*

Under the Joint Sponsorship of  
Engineering Extension, Department of Engineering  
University of California at Los Angeles  
and  
Society for Experimental Stress Analysis
