I held him to my ear - I no understand. Then I think, think - White Man make him - White Man understand his talk - Indian no understand - I'fraid - I tell him stop talk - he keep talking - I get much afraid. I think maybe some time white man catch me - he hear this little tick, tick, tick-tick - he hold him to his ear - he listen - he understand talk. Then he look at me and say 'You kill White Man, now I kill you'. I very much afraid - I shake him and tell him no talk - he keep talking - so I think I kill him. I come to some rocks - I take him by chain and strike him hard on the rocks. I take another small rock and pound him till he no talk any more - he dead. Then I leave him all mashed to pieces on the rocks where he no tell anybody Stumbling Bear kill White Man."
