5. When the Nez Perces went into Canada I understand they had a council with the Red Coats, The Royal Northwest Mounted Police.

Is this true? What was said at this council?

After we left Sitting Bull & the Sioux we met first Capt. Scholey Canadian soldier red coat, a halfbreed called Bull Head (red coat), Capt. Morton (red coat) - Bull head asked if we were Nez Perces he told him yes - we just came into Canada - Capt. Scholey said he was surprised that US soldiers should drive their Indians out of the country & that it was alright for them to be in Canada -

These Canadian soldiers even issued rations to the Nez Perces - to a few who were there at the time - They told us we could select land and live on it - About 80 took land but left it the next year and came home -
