

small minority ever engaged in it. Only about one-half of the 26,000 Sioux took an active part in it. It may safely be said, however, that the doctrine and ceremony of the Ghost dance found more adherents among our tribes than any similar Indian religious movement within the historic period, with the single possible exception of the crusade inaugurated by Tenskwatawa, the Shawano prophet, in 1805. (See plate LXXXV.)

#### PRESENT CONDITION OF THE DANCE

Among most of these tribes the movement is already extinct, having died a natural death, excepting in the case of the Sioux. The Shoshoni and some others lost faith in it after the failure of the first predictions. The Sioux probably discontinued the dance before the final surrender, as the battle of Wounded Knee and the subsequent events convinced even the most fanatic believers that their expectations of invulnerability and supernatural assistance were deceptive. The Paiute were yet dancing a year ago, and as their dream has received no such rude awakening as among the Sioux, they are probably still patiently awaiting the great deliverance, in spite of repeated postponements, although the frenzied earnestness of the early period has long ago abated. The Kiowa, who discarded the doctrine on the adverse report of A'piatañ, have recently taken up the dance again and are now dancing as religiously as ever under the leadership of the old men, although the progressive element in the tribe is strongly opposed to it. Among the other tribes in Oklahoma—especially the Arapaho, Cheyenne, Caddo, Wichita, Pawnee, and Oto—the Ghost dance has become a part of the tribal life and is still performed at frequent intervals, although the feverish expectation a few years ago has now settled down into something closely approaching Christian hope of a reunion with departed friends in a happier world at some time in the unknown future.

As for the great messiah himself, when last heard from Wovoka was on exhibition as an attraction at the Midwinter fair in San Francisco. By this time he has doubtless retired into his original obscurity.
