

W.B. staid at S.B. for a while and did not tell anyone about it and then went back to the Sansark and told the men the big type ~~W.B. told them to~~ the buff like he saw it. The men believed it and connected it with the pipe. W.B. did not go but they told him about it and it brought the buffle. W.B. was 21 years old, this brought the buffle to the Sansark camp.

Black Eagle, Red Man, Big Shell Neck, Lead, - Short Land, Iron White man - these were the men ~~at~~ that W.B. told about the dream.

W.B. did not tell S.B. about the dream.

W.B. was 8 years old when the 15 Sansark were killed.

There was a big bunch that went to an horse back and 3 or 4 feet. W.B. was out hunting for enemy and got back at the same time the other warriors got back.

This crew went to a Crow camp and before they got there there was a creek and bank was facing north & below was a timber. The fatters made a creale and the horse back went ahead to get horse and the fatters got killed by the crows that

In day time buffle stay anywhere & the only time W.B. had seen buffle ~~the~~ water they were in the Missouri R. and it was about sundown then they came out ~~and~~ to roll and play. W.B. never noticed that buffle walk against the wind. In the winter time they go with the wind. The buffle never ran thru the camp. W.B. does not know of anyone ever being killed by buffle. Once a buffle ran up to W.B.'s horse and knocked them over but went on.
