

so they could see the shadows of
the men a horse back came up &
shot one of the men.

1875 One Four dies; & # one
of the 6 chiefs - a Sioux name
White Bear was killed that
year but they came to life. This
was a big man so they put down
two - They were fighting 3 whites
in thick timber one was killed
and the other two were leaving
they got 5 horses from them

The same yr the treaty about Black
Hill - one Sioux was in the meeting

they give the Sioux whiskey &
the Sioux signed up "one horn"
and a name home & died (of chagrin)?

W.B. was 21 yrs old when he
saw whiskey. W.B. went to visit S.A.
when he got to S.A.'s place he saw some
Canadian traders there they
knew W.B. was cold so they gave
him no whiskey in a cup
