

did not get anything for it,
 1890. S.B. was killed ~~by~~ also
 spotted Elk - Minnie - was killed
 at Pine Ridge. Soldiers killed
 him - W.B. danced the Ghost Dance
 3 times the reason he quit was
 he read the Bible and thought about
 the dance and the dance was ~~all over~~
 so he quit it. He was dancing &
 saw that the bunch that was dancing
 were going to be killed. He dreamed
 that ~~twice~~. While he was dancing
 the sun was coming down to
 him & he was going to take
 a hold of it and it dripped then
 some soldiers on horses were
 going west. after that he said
 S.B. and some other men were
 going west S.B. ask W.B. to go along
 but W.B. said no' when he
 saw that he quit - Low Dog
 and Ricking Bear lead the dance
