

I was hit when the foot soldiers and cavalry went into one bunch.

21. Do you know any Indians who counted coup in this fight? What were their names?

No I didn't know.

22. Where did you bury your uncle Flying Hawk? How far from the battle-field?

We buried him about two miles away from the battle field.

23. Where was Flying-Hawk killed. In what part of the body was he hit?

He was killed in the last fight. He was hit in the breast right side.

24. I have heard that there were some women along with the Indians? Did you see any women along?

Yes. I don't quite remember but I judge there were six of them.
