

21. You told me that in the fight on Arrow Creek, ~~where~~ a man named Plenty Lice (His Many Lice) was killed. Was he killed before Sitting Bull went out to smoke with you in front of the soldiers, or after that?

Plenty Lice was killed before sunrise, and after sunrise about 5 o'clock is when we had that smoking party.

22. Was Plenty Lice killed near the soldier lines, or where the Indians were lined up?

He was killed near the soldier line.

23. Was Plenty Lice shot off his horse, or was he afoot when they killed him?

He was shot off his horse.

24. I want to know all about how Plenty Lice was killed, and where his body was.

after the fighting was over, we saw a fire was build, after every thing was over they want to see where Plenty Lice lay. They find out that he was burned up in that fire.

25. What Indians were killed in this fight on Arrow Creek? How many? What were their names.

Plenty Lice was the only one killed, of course there is some wounded but they die about it.

wounded

26. What Indians were ~~killed~~ wounded at the fight on Arrow Creek? How many? What were their names? Where was each one hit?

1. High Hawk, was hit on his Right Rib, just barely hit.

2. High Hawk, was hit just below his left shoulder.

Song Holy and three of his men were hit. Three of them the bullet didn't go through & one man was hit in the neck, the bullet went through his neck. This was (leading him) he is all right a gain. The other were Song Holy, with horse, & Jona was an ^{in this fight} ~~man~~ ^{man}.

The white men say that two Indians were killed, and 10 ~~partly~~ wounded, so they would die. Is this true, or not?

No.
