Dear Professor Campbell :

Thanks for your writing and the photoes.

I was grieved to hear that "Her Shawl" wife of Chief Joseph white Bull died. This leaves him all alone. I understand his grief over that great loss.

With great interest I read that you might go to Cherry Creek this summer to visit Chief white Bull. He will be delighted to see you and to be honored by you as no one understands so well.--

At the age of 86 this is quite a rare treat when ones best friend comes to visit. Yes, I read your books: "warpath, Sitting Bull, New Sources etc. I understand all quite well and I have no further questions to ask the Chief.

The only thing I wonder is if the Chief knew Thomas Black Bull of Pine Ridge, who died 2-3 years ago.- If he knew him, please inquire if the Chief knows details about him. A certain Mr. Hotz from Zürich is quite interested in him. I had a short interview today with Mr. Hotz, therefore my inquiring.

I thank you also for the address of the genealogical Library in New York City.

Most cordially yours

Joseph Balmer
