

Scts + guards

up in the middle of the night they
 got up to see if things were
 all right around his tent
 The men now would use
 at night but have everything
 ready but when they
 were in the war zone they
 never undressed.

W. B. Mother made him
 some Buffalo fur moccasins
 high top, and he had a
 dress uniform packed
 he ~~did not~~ ~~have~~ cloth

cloths when he was tired
 and would put the uniform
 on before the fight.

The legons he wore in
 fighting were beaded and
 the ones he wore in traveling
 were plain they were made
 of the same kind of material
 a wooden pants

war path equipment

They wore no shirt at all when
 they were traveling some wore
 a buck skin shirt with the hair
 outside - W. B. wore a robe with
 the hair on the inside some of
 them wore a cloth on their
 head. Only a few especially old
 men who wore mittens, whites
 did not bother. They would
 ride the pack horse and
 lead the war horse. He
 had a saddle he made himself
 with one cinch. He had
 knife in his left side he did not
 carry a white stone.

W. B. fathers when they
 were dancing or going to
 war they did not dance
 He had wooden cup. The paint
~~on~~ the horse were red,
 and W. B. wore yellow he
 wore red paint on the way.
 The paint were mixed with
 Grease & Water.
