

~~dyed~~ dyed & some smell sweet like perfume - just diff. Like sheep?

✓ porcupine? Some ^{white} some Indian also. Sweated when dirty he smells himself like a porcu -

WB has good nose as he can smell rain & snow before it comes - SB like porcu - also -

Wasicu - (white man)

- 1. Mean park eater? - no.
- 2. ✓ laborer or worker? - no.
- 3. ✓ spirit or ghost? - not really but when attached to water - above or stone means they compared white man's ability to do almost anything. as gun - attached as water man - stone man - whiteman above - etc. - Some Ind. ~~claim~~ that could do anything & when they dreamed of spirits they had pictured the spirit as white man so when white man came with much ability they thod of him as holy

4th fit with SB See ^{5th} for better location

north of here & in Montana - the warriors - about 400 - went out to look for enemies - leader = Don't know - camp - they started from - place called "Running over Buffalo" (such as stampede Ptinatapi) and some ^{but} killed

close to Powder River - all horseback & in early fall - hunting enemies & no horses - WB, 15 (going on 16 following year) Relations on Party? yes. - others -

- Brave Buffalo
- Swift Bear
- Jumping Bull - cousin SB the Hoke
- Swift Bull
- Black moon

Went towards west - few days before this knew a white sold camp & some Dakotas that the sold friends & went but sold killed Ind & the rest of the party took the sold ^{few} horses & now the rest of the Ind went after the sold. The sold had
