and the ground was frozen
he picked up a 3 yr Cow
his arrow was about 30
yds from where the cow
fell.

1874. This was
right after the last one
in the next fall he shot
three this trip he shot
three the first one.

W.B. was never with
a wild west show.

They were camping at the
mouth of the river and
that was where they
were raising wagon

wagon

Hard Names

When an indian ~~was~~
wanted to fight they would
say your bad - you are
