

S.B. in last Buffalo hunt  
but we just came & didn't

Did expect Custer? Didn't no  
 for sure but that C. stationed  
there.

W.C.W. in Custer fight & came  
 back, then heard of soldiers <sup>(news)</sup>  
 south & when that way - brot  
 all bodied horses - lot of indians  
 killed - had bow & F. on horseback  
 & shot <sup>killed</sup> Crow flies high, soldier  
 scout - many guns loaded & not  
 shot - too much confusion to  
 say no. of whites killed by clubs  
 - Camped one day before C. came  
 - Heard of sundance but not  
 attended -  
Heard of S.B. speeches & forecasting  
 but with Ogollala.
