

III -- Your father told me that Sitting Bull founded the White Cavalry among your people shortly before the battle with Custer. Where did this happen? Who were the chiefs of this White Cavalry? What were their names? How many men belonged to it at first? I have heard that the members of the White Cavalry bought a monument for Sitting Bull's grave some time ago. Are there any men living now who were members of the White Cavalry when Sitting Bull founded it? What are their names?
