

P.S. Come via Yaukton and keep on
the east side of the No. until you
strike the yellow trail at Aberdeen or
further west. Then go through Wobridge
and cross to the west side - thence
west till you strike the Ft. Yates
trail about eight miles east of
McLaughlin and some twenty miles
from Ft. Yates.

I will arrive at Ft. Y. not later
than Sunday evening + will be at the
only hotel & every one knows me.
