Mr. Luke Cahill,

Denver, Colo.

Dear Sir:

I am trying to gather some facts about Sitting Bull, the Sioux leader. The State Historical Society of Colorado suggests that you may be able to help me, as you were with Buffalo Bill in the campaign of 1868 and afterward. It is my intention to publish the facts and if I do, I shall be glad to give you full credit for any information you may give me.

Anything you knew Sitting Bull said or did, any facts about his appearance, character, or any true stories about him will be useful to me. He was with Buffalo Bill's Show for a while, I understand.

Please help me if you can.

Sincerely yours,

W S Campbell
