you can buy a pony here
for 5-10 \$, good broken horse
for 30. It cost 25 to get a horse
broken! Horses are so cheap
here they kill them to feed
foxes on the fur farms! But
cattle bring \$150 a head.

We leave here today. Glad
to go - the food is awful. Best
sleeping out is grand, & we
are getting what we came for -
(S.P. was married 5 times!)
