Mr. J. Carignan,
3106 Benton Blvd.,
Kansas City, Mo.

Dear Mr. Carignan:

I am still at work on the study of Sitting Bull of which I told you, and I want to ask you to help me again.

You told me about your reading news of Riel and his rebellion in Canada to Sitting Bull, as I remember. Do you recall any thing Sitting Bull said about Riel or his activities? I have heard that Riel was in Sitting Bull's camp in the sixties. Do you know whether this is true?

Somewhere I read that William McNider bought Sitting Bull's shield. Did you ever see it? What was painted upon it? Do you know whether McNider has it now?

I am enclosing a few sheets with queries on them. If you will have them filled out correctly, I shall be very grateful. I am willing to pay for this clerical service, in case you wish to dictate to some one, the sum of one dollar.

Please help me. You know more about these matters than anyone living.

Yours cordially,

W.S. CAMPBELL
