Dear Mr. Campbell:-

I was glad to hear from you because I had lost your letter, and did not remember your name to send that picture of Sitting Bull addressing the Fort Yates council. I wrote to the head of the faculty (I remembered it was from Norman, Okla., and the State University) asking them to inquire. Later, I got your name from my bank that handled your check, so trust you have received the picture by now.

Regarding Standing Bear. You can get him at 420 West Belgrade avenue, Huntington Park, Cal., care O.G. Jones (with whom he lives.)

Standing Bear is only 60 years of age; is as well educated as any white man, writes a beautiful hand, and will answer any questions you put to him if you refer to me. If you do not hear from him, let me know at once. Of course he might be out of town temporarily.

Sincerely yours.

E. A. Brininstool
