Mr. Mike Russell  
Deadwood, South Dakota

Dear Sir:

I am trying to gather some new facts about the Sioux Indian Sitting Bull. Miss Caroline Lockhart, the novelist has given me your name as a reliable informant. If you knew Sitting Bull and could give me some information about anything he said or did to your knowledge, I will certainly appreciate it, and if I publish his story I shall be glad to give you credit for any facts you may give me. As I understand it, Sitting Bull was with Buffalo Bill in 1885.

Sincerely yours,

W. S. Campbell
