Dear Professor Campbell:

Thanks for your prompt and full response to my query about Sitting Bull's birthplace -

Please send me word a little in advance of your coming so that I can arrange to be here. Otherwise I might be beside a babbling brook in the Black Hills -

You may be sure that I am anxiously awaiting publication of your book - I have a project of my own about to jell - The Chardon Journal at Fort Clark. (N. D.) 1834-39. edited by Annie Héloïse Abel -

With all best wishes and in the hope that I may have the pleasure of meeting you in August - I am

Sincerely yours
Lawrence K. Fox
