July 22, 1932.

Prof. W. S. Campbell,
University of Oklahoma,
Norman, Okla.

Dear Professor Campbell:

Since I wrote to you the other day I have learned that the initial "A" in Brackett's name stands for "Alfred" so we now have the name, Major Alfred B. Brackett, with "B" still the unknown quantity. ~~La Ramboise~~ is an elusive cuss and a diligent search has failed to reveal his name.

I'll be looking for you early in August. Our Kiwanis Club meets on Thursday noon and I am sure that the members would be pleased to have you regale them with a few anecdotes of your experiences with our South Dakota Indians. However, don't let this possibility keep you away from Pierre. Somehow or other I have the impression that you do not care much more about public speaking than I do.

Sincerely yours,

Lawrence K. Fox
Superintendent.
