Dear Mr. Campbell:

I have forwarded the sitting Bull captivity pictures which you selected. You may remit the \$6⁵⁰ whenever convenient, to me.

I am anxious to get your book and I'll do all I can to promote its sale. I may ask your help in distributing Charbon's Journal at Fort Clark, 1834-1839, edited by Abel - which is about ready for launching.

You undoubtedly had an interesting summer. You should now be in condition to cope with the young savages who come to you athirst for learning.

With best wishes for the year and years,

Sincerely yours

Lawrence K. Fox
