and take an interest in affairs generally. Perhaps you can work her into a novel some time.

I do not feel that I have been of any material assistance but I have at least answered your letter. Perhaps another time I can do more for you. I am still of the opinion that you should enroll as a life member of our Historical Society. It would be a good deal for you and a good thing for us. It might help take the curse off of the recent book on the late Sitting Bull.

Sincerely yours,

Superintendent
