Mr. Lawrence K. Fox, Supt.,
Department of History,
State of South Dakota,
Pierre, South Dakota.

Dear Mr. Fox:

I have been out of the city for a time and on returning find the copy of Volume II, South Dakota Historical Collection which you so kindly lent me. I find it very interesting and will shortly return it. I seem to have made a mistake somewhere, for Volume I was the volume I desired. If that is available please send it to me C.O.D. I shall return both volumes at an early date.

I am sending you a copy of my book, "Kit Carson", autographed as you desired. Please say nothing about the bill.

With many thanks for your kindness, I remain

Sincerely yours,

W. S. Campbell.
