Dear Sir:

I read with interest your letter in adventure magazine (Camp Fire section) about Sitting Bull and like to know the price your book will sell at. My wife & I have felt a good deal of interest in Sitting Bull as she has a buck skin dress that belonged to Sitting Bull's daughter. My wife's Uncle was connected with the Canadian mounted Police and was one who was watching after Sitting Bull & his Indians ~~after~~ when they went into Canada after the Custer massacre - as he told it - the Indians suffered greatly from lack of food and he traded Sitting Bull food for this dress & gave it to my wife's mother. Kindly let me know where I might purchase one of your books and the price - .

Sincerely
Geo H. Searcy
