Prof. W. S. Campbell, U. of Okla.

Norman, Oklahoma.

Dear Mr. Campbell:

The proposed gathering of Old Indians to gather data for your history about Sitting Bull's life took place today and the following members were present: Circling Hawk, Old Bull, One Elk, John Fine Weather of Cheyenne Reservation, Bear Comes Out, Little Eagle, Eagle Boy, Owns Medicine, Brought, & Crazy Bear; Each and every one of the pictures sent were looked over, discussed, and passed upon as noted on separate sheets tallying with the no. of the picture. The \$25.00 was received and I acted immediately according to your instructions. The old timers went away contented after having three feeds. \$5.00 of it goes for the transportation expenses of Circling Hawk of Little Eagle, S. D.

I hope the data gathered and information procured will be of much help in your proposed work.

Five of them especially have spent their time and incurred expenses for which they ask an additional \$22.50, the same to be sent to Mr. Bear Comes Out Bullhead, S. D.

One Bull was present at the meeting but did not even as much as say one word about giving any information, he was more interested in his cats more than anything else.

Yours very truly,

(Sgd.) F. B. Bullhead

P. S. I am enclosing herewith the pictures.
