

Edward S. Luce, Superintendent
Custer Battlefield National Monument
Crow Agency, Montana

This address may also be found under SOURCES (Biographical),
p. 286 of my Harney County.

Supt. Luce and I were disappointed that the printers, again, made
it "bugler" instead of "trumpeter" when the trumpet was sounded
by charging cavalry of '78. I requested "trumpeter" in my
proofs, but no soap when the book came out. So we have to
remain philosophical.--G.F.B.
