Dear Professor Campbell:

I enclosed as a copy
of a letter which I found with
Gen. Baldwins papers.

Evidently when at Vancouver
this Genl visited Baldwin, told
this story & Baldwin asked him
to write it out. I never heard of Everetts

but I doubtless there was such a man,
by me I heard it will interest

you as you are writing a history
of the remarkable S.P.!

I have recently come into the
possession of a MS written by
Sam O'Connell who in 1875-76
was Clerk at Juneau's Trading Post
on Milk R at the mouth of
Frenchman's Cr who tells us that
about early in 1876 runners from
Sitting Bull came to his post
