Mr. Johnny Baker,
Buffalo Bull Museum,
Golden, Colorado.

My dear Mr. Baker:

May I trouble you again with my questions?
As you may remember I am working on Sitting Bull's
life and one or two things have come up which I would
like to have you discuss.

Do you know whether Colonel Cody wished to
have Sitting Bull go with the show the second season or
not? Can you tell me who was interpreter for the Sioux
when Sitting Bull was with the show? I have been up in
Dakota and the Indians seem to be under the impression
that Sitting Bull could have gone with Buffalo Bill the
second season if he had wished to do so and that the Indian
agent, one of whose family was to be interpreter for the
show at a good salary, was annoyed because Sitting Bull
declined to go. Can you tell me anything about the
facts in the case. I shall be grateful for your help.

Faithfully,

W. S. CAMPBELL.
