Dear Mr. Campbell:

I now have the scrapbook. I find that it does not begin until July 27, 1885, at which time Sitting Bull was already with the Wild West Show. I give you below the itinerary of the show for the rest of that season:

There are about twelve pages on which there are fairly extensive references to Sitting Bull and I can have photostats made of these for you at a cost of sixty cents apiece. I'll wait until hearing from you before going ahead.

Sincerely yours,

*Richard Walsh*
