

~~Ree~~ (W13) Make

No. 2 - S. B. wears war bonnet with horns. Is leader of war party against the Crows. He takes by surprise 3 women and 1 man. The man has no time to draw his arrows. S. B. kills one woman with his lance and captures another while the Crow man tries to drag him from his horse. The other Dakota Indians force the man to stop. S. B's lance has two eagle feathers and a red hair tassel. Black horse with white face and stockings. No shield.

This horse taken for Ree
Apr 15-16.

Headquarters of the Sunka toka koda (Fox Society)
- Bros. of the Foxes against the Enemy" (now extinct)

Beardsley said this was the time SB captured 3 Crow women & a boy & let them go -
was this the time Old Bull's father was killed?

(Melch)
Old Bull knows of this -
