

November 22, 1932

Colonel S. C. Vestal
Massachusetts Institute of Technology
Cambridge, Massachusetts

Dear Colonel Vestal:

I am deeply grateful to you for the maps and photographs you so kindly sent. They will be invaluable for my forthcoming book on Indian warfare. It was most kind of you to go to all the trouble.

I note that you intend to look into my book on Sitting Bull. I shall be most happy to have your reaction.

Yours sincerely,

W. S. Campbell
