

December 10, 1928

Dear Mr. Weygold:

I am returning herewith three sheets from your album showing photographs of the Indian gatherings you sent me, also the volume published in London. Thank you very much.

I learned that Robert L. Lowie has printed something about the Brother-Friend Ceremony in the papers of the American Museum, Volume 4, Page 37, 1909.

Cordially yours,

W. S. Campbell
