River Pond kept data 1935-45
during constant warfare; in 10 yrs the
Sauter lost 88 h. + wounded, + claimed
to have killed + wounded 129 enemies
(men + women children)

50 men attack 2 - K1, wound other,
the takes cover, + the 50 leave him

A very large majority of expeditions return
without trophies - Small parties more
successful (swift + more secret)

Strike once + run (success or not)

No desire to fight equal foes.

leaders were men with visions promising
success - no compulsion - (unauthorized
small parties with no leader were as likely
to succeed as any)

meetings of 2 war parties, ^{always} accidental
