Mr. H. P. Willis  
4160 Glenwick Lane  
Dallas 5, Texas

Dear Mr. Willis:

I was happy to get your letter and will be sure to return your notes on the ponies. However, I want to copy some of them and this will take a little time.

I am so snowed under with work that I hardly know which end I am standing on this week, so must cut this short.

With kindest regards,

Yours very cordially, .
