

What did S.B. do? - after it's elected  
 chief sold of 5 tribes he figured out  
 where to go for more buffaloes + food +  
 he was to plan where to camp - to  
 winter, who to fight, etc.

⑧ How did S.B. decide alone? - He generally  
 called some young men to go out to  
 find where more buffaloes + better hunting  
 grounds - these young men camped a few  
 days + went on then S.B. sent more out -  
 w.B. sent out many times. ⑨ sometime  
 each of the 5 tribes sent a few, 1  
 or more to go out.

Was there some danger recommitting  
 chief soldier? - the 5 tribes didn't want  
 to get mixed with whites or other hostile  
 Ind. so appointed 2 chiefs - (S.B. + crazy  
 horse) - to decide when to + not to fight

How 2 chiefs elected? - camp chiefs of  
 each 5 tribes picked + decided -
