DEAR Sir:

As requested, search has been made in the appropriate indices of this Office with the results stated below.

If this information is not sufficient for your purpose, further search will be made if you can furnish additional data upon which to base a more extended examination such as the approximate date of publication or deposit of copies in this Office, the class of work (i. e. book, drama, music, work of art or other copyrightable subject matter), name of copyright claimant, author, etc. Following the receipt of this information a search fee will be estimated at the statutory rate of \$1.00 an hour. In the case of dramatic compositions and musical compositions, a title index is available for entries made from 1870 to date, and for all classifications since 1938.

If this inquiry relates to any recent registration, it is possible that the catalog cards may not yet be available. Registrations in this Office are very numerous and some time is necessarily required for cataloging them.

Respectfully,
