Saint Paul, Minn.

Dear Miss Virtue:

Thanks very much for your helpful letter of July 26.

I shall certainly follow up your suggestions therein.

Is there any possibility that the papers you mention  
--any of them-- could be sent to me at my expense for a look-see?  
I could be very prompt in returning them..within a very few days.  
They would come at my expense, of course.

Particularly the A. L. Larpenteur papers and the  
diaries of the Indian wars.

I am extremely grateful for your kindness.

Cordially yours,

W.S.CAMPBELL
