Pipes of Fellowship

- I The Buffalo Skull represents
 Ⓟ Past - the wilderness -
- II The Eagle (represented as alive)
 = The National Emblem of
 U.S., and is personated by
 Ⓟ two staves or Pipes -

Thus these two elements are
blended in Ⓟ ceremony.

The Pipes are laid to rest
~~and~~ over the Skull (Ⓟ Past)
as Ⓟ Future rests -
The Pipes are moved (made
alive) by Ⓟ Boys who
dance with them
