My dear Mr. Campbell:

The Library of Congress has referred your letter of December 11th to us. Our archeologists have no data on Russian excavations in prehistoric mounds at Chibe' in the Altai Mountains of southern Siberia. Abstracts of Soviet anthropological papers, translated by Henry Field and others, have appeared from time to time in the American Anthropologist. Last year in No.3, Vol.48, Mr. Field reported on his 1945 trip to Moscow and its museums.

Very truly yours,

*A. Wetmore*  
A. Wetmore,  
Secretary.
