Secretary Noble.
Washington, D. C.

Dear Sir:

The information has come to me, confidentially, through a source that I have confidence in that the Sioux Indians or a portion of them are secretly planning & arranging for an outbreak in the near future probably tho' several weeks or months off.

I do not wish to cause any undue actions or alarm, but must suggest the advisability of keeping a careful watch on the different bands and using conservative judgement about allowing any of them to leave their respective agencies.

Yours Respt.

(Sgd.) Chas. L. Hyde.
